Strategem Solutions is a boutique operations firm that runs complex, regulated programs. We step in as operators, leading **program management**, **grants and financial compliance**, and **interim operations leadership**, and we leave clients with a management system their team can run.

CORE COMPETENCIES

Program Management

PMO design and integrated planning
Risk and issue management
Vendor and contractor oversight
Executive and stakeholder reporting

Grants & Financial Management

Grant program design and administration
Subrecipient monitoring and compliance
Financial controls and audit readiness
Budgeting, forecasting and modeling

Executive Operations

Interim and fractional COO leadership
Operational diagnostics
KPI and OKR scorecards, dashboards
Board and governance reporting

Emergency Management

Preparedness program support
Emergency communications programs
Disaster response planning
Capacity building and training

RELEVANT EXPERIENCE

Emergency Communications Grant Program

NATIONAL PUBLIC MEDIA ORGANIZATION · FEMA-FUNDED

Directed a national grant program modernizing emergency alerting infrastructure for rural and tribal communities. Ran solicitation, review, selection, financial controls and federal compliance, and led a blended team of internal staff and Big 4 consultants.

\$136M federal program **400+** grant applicants **5** consecutive clean audits

Global Financial Management

BIG 4 CONSULTING FIRM

Managed a **\$150M** global IT budget for the Global CIO. Built financial reporting and investment models across the Americas, Europe and Asia, delivering **17%+ ROI** within three years.

Program Turnaround

FEDERAL AGENCY

Took over a new venture stalled for nine months. Rebuilt the strategic and operational plan with KPIs, milestones and deliverables, and had it back on track in **about three months**.

Data Analytics & Portfolio Management

INTERNATIONAL HUMANITARIAN FOUNDATION

Designed financial and data models, scenario analysis and executive dashboards linking spending to program outcomes for a global relief and development endowment.

International Emergency Response

NATIONAL GOVERNMENT · EARTHQUAKE RELIEF

Supported disaster relief after a major earthquake with risk assessment, emergency response planning, logistics and coordination of international assistance.

Global Expansion Strategy

INTERNATIONAL MICROFINANCE ORGANIZATION

Led political, economic and SWOT assessment of new markets and delivered an expansion plan with partnership recommendations.

Merger Cost Optimization

CORPORATE CLIENT

Built long-term financial models and project ROI analysis for a merger initiative, identifying **\$30M+** in cost savings.

Experience includes programs led by Strategem's founder and key personnel before the firm was established. Client names available on request.

DIFFERENTIATORS

- **Operators, not advisors.** We run the work and own the deliverables.
- **Senior from day one.** Executive-level leadership on every engagement.
- **Grantor-side experience.** We have run a federal grant program.
- **Built to hand off.** Documented processes and trained teams.
